

## Case Study

# The PetCare

Pet grooming saloon Appointment Application

For a Leading IT Company.

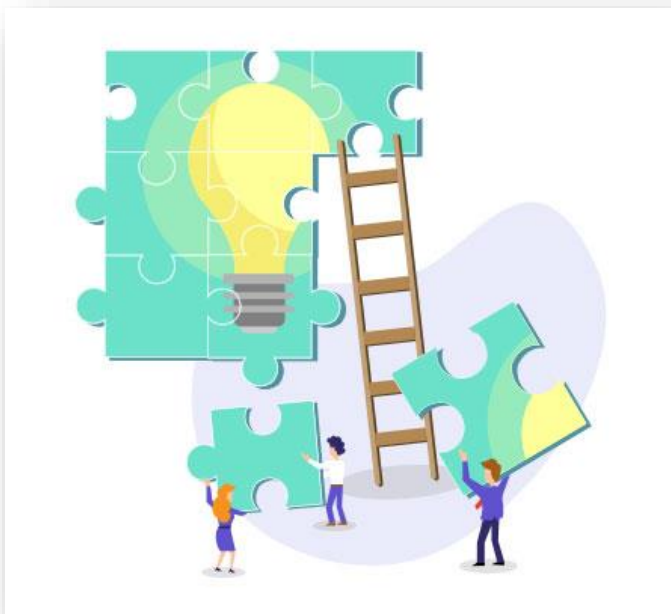

## Client Background

- ❖ The Client provides solutions and integrated service management, offering comprehensive and standardized life cycle services for the full spectrum of ICT & Cloud Solutions.
- ❖ Their strategic solutions and service delivery standards are designed to achieve higher level of productivity, efficiency, reliability and security with proven global delivery standards.
- ❖ The Client and their solutions and technical learning centre were established in the year 2009.
- ❖ Their corporate head office is located in USA and they are primarily focused on giving information technology solutions.

## Business Challenges & Needs

- ❖ In the legacy system, it was difficult to update the time for providing calendar and pricing data for the services dynamically.
- ❖ The legacy system posed difficulties in content management, image related updates and channel order downloads.
- ❖ As legacy system was not dynamic, it was not scalable. The further enhancements were tedious and time consuming.

## Solution Overview

- ❖ Cognisun team analysed the legacy system; conducted JAD sessions with business stakeholders to understand the short comings and wish list.
- ❖ Designed data modelling schema using React-native based MySQL Database and migrated the legacy system data for products, categories, customers into newly redefined database schema.
- ❖ Developed an application portal from scratch based on React native framework with extensive customization using NodeJS. This Portal is easily extensible, scalable and maintainable.
- ❖ Made it user friendliness

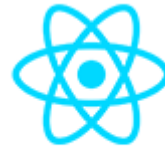

## Key Technologies

MySQL

NodeJS

ReactJS

## Highlights & Benefits

### Solution Highlights

- ❖ Intuitive, responsive and user friendly interface compatible across various devices and screen resolutions.
- ❖ Leveraged React Native framework coupled with PHP/MySQL customization to present a flexible, effective and scalable solution. It supports easy future maintenance and enhancements.
- ❖ Full fledge Pet Grooming appointment scheduler.

### Business Benefits

- ❖ Improved customer gratification and increased sale.
- ❖ Easy access to customer and service specifics analytics.
- ❖ Cost saving due to reduced dependencies on the third party vendors.
